Objective

Motivated and versatile Computer Science undergraduate with a strong foundation in programming, problem-solving, and web development, complemented by hands-on experience in creative writing and business development. Passionate about blending technical skills with storytelling and strategic thinking to contribute meaningfully to innovative projects. Seeking internship opportunities in software development, content strategy, or business roles to gain diverse and impactful industry experience.

Education

Vellore Institute of Technology, Vellore
Bachelor of Technology, Computer Science Engineering (2024 – 2028)
Current CGPA: 9.0

HAL Public School (CBSE), Bangalore
12th Standard – 94% (2024)
10th Standard – 95% (2022)

Technical Skills

- **Programming Languages**: Python, C, C++
- **Web Development**: HTML, CSS, JavaScript
- **App Development**: Flutter
- **Databases**: MySQL (Basic)
- **Version Control**: Git, GitHub (Basic)
- **Operating Systems**: Windows, Linux (Basic)

Projects & Hackathons

PillPal – Prescription & Medication Reminder Software
Developed a prescription and medication management system that enables users to store prescriptions.

Mental Health App – Python-Based Application
Built a self-help mental health support application using Python, integrating self-assessment features for users.

Hackathon Experience
Participated in multiple hackathons, reaching the final rounds in some as the only fresher team. Gained experience in rapid problem-solving, teamwork, and technical implementation under time constraints.

Experience

General Manager – Kleos (Internship)
Remote · Jun 2025 – Present

- Leading cross-functional teams for event strategy and content planning.
- Coordinating between departments to ensure smooth execution of tech-based events.

Junior Core Member – IEEE Women in Engineering (Part-time)
Vellore, Tamil Nadu · Jan 2025 – Present

- Contributing to innovative tech projects that empower women in STEM.
- Participating in outreach and engagement campaigns across campus.

Creative Writing Intern – Chryme Quilt (Internship)
Remote · Jan 2025 – May 2025

- Wrote short stories and crime-themed narratives for Chryme Quilt's audience.
- Collaborated with editors and other interns to pitch and refine storylines weekly.
- Recognized by the CEO for creativity and storytelling quality.

Leadership & Extracurriculars

Vice Captain – School House Team
Led my school house team to win the championship trophy, fostering team spirit and strategic planning.

Inter-School Competitions & Extracurriculars
Won multiple prizes in inter-school competitions spanning coding, debate, quiz, and cultural events.
